Russia's Move Poses New Problem For UN Sessions

Soviet Action At UN Parley Forces Recess

Gromyko Announces Russia
Will Not Accept 8-3 Vote
On Iran Issue

SMALLER NATIONS BECOME CRITICAL

NEW YORK, April 24.—(INS)—Soviet Russia's calm statement she would ignore a strict mandate from the United Nations Security Council today put that international world court of appeal into a forty-eight hour recess.

Wedding wider the rift between the United States, Great Britain and the Soviet Union, Andrei Gromyko, the Russian delegate, announced his government would not accept the Security Council's 8 to 3 vote to keep the Russian-Iranian case on its agenda.

Smaller Nations Critical

Recess of the Council's next meeting until tomorrow afternoon was being viewed somewhat critically by other members of the United Nations.

There was a disposition on the part of smaller nations to ask just what the "big three" were doing in their disposition of world affairs.

The smaller nations also were asking whether or not the Soviet Union was dominating the world political situation to its own advantage.

Late yesterday, the U. N. Security Council voted 8 to 3 that, irrespective of Russia's persistent protest, Soviet troops and agents within her borders, still should be a matter for report to the council on May 6.

Soviet Delegate Balks

Gromyko, speaking in Russian—although his English is virtually flawless—promptly advised the council that the "Soviet delegation is not able to participate in the discussion of the Iranian question."

The Russian spokesman said both Russia and Iran had asked the council that their dispute be withdrawn from further consideration; he said that all issues between

PA NEWC OBSERVES

Daylight time for all localities adopting it for the summer will begin on Sunday morning.

Ellwood City council has passed a resolution adopting daylight savings time for the city, beginning Sunday.

Something new in the way of election campaigns was in evidence here overnight, when a candidate pitched the tents of his party in the public square. He is making a tour of the state.

A very precarious piece of work has been completed at West Washington and Smithfield streets. Pa Newc notes. An old building that was several feet higher than the ground level has been lowered intact by workmen to the level of the sidewalk. Two weeks of preparation were necessary, before the building could actually be lowered safely.

Pa Newc notes that about one out of every ten cars traveling about the city streets is illuminated with only one head lamp. With the appearance of more motorcycles on the streets, measures should be taken to correct this violation, as many times approaching motorists are unable to discern whether the approaching vehicle is a motorcycle or a "one eyed driver."

Predict President Will Name Democrat To Be Chief Justice

WASHINGTON, April 24.—(INS)—Congressional friends of President Truman predicted today that he will name a chief justice of the United States Supreme Court from the Democratic members on the nation's highest tribunal.
The same authorities said the president would appoint a Republican to the vacancy on the Supreme Court caused by the death of Chief Justice Harlan Fiske Stone. This would maintain the seven-to-two Democratic-Republican balance established when Mr. Truman appointed Justice Harold R. Burton to succeed the retired Republican, Justice Owen J. Roberts.

Speculation over the successor to the late chief justice included the

Armed Service Merger Bill Is Before Senate

WASHINGTON, April 24.—(INS)—The controversial armed services merger bill went to the Senate floor today, but there was no certainty that it would stay there.

Sen. Walsh (D. Mass., naval affairs committee chairman, said he will call his group together tomorrow to decide officially whether to demand that it take a hand in conducting hearings. He said:

"Personally, I think we should hold hearings on a bill that provides that our branch of service be annihilated, amalgamated and merged."
Walsh was believed to have strong support in his committee. Sen. Robertson (R. Wyo.) has been especially active against the merger.

At the same time, Sen. Bridges (R. N. H., military affairs committee member, said he was preparing for himself and others, a minority report denouncing the merger proposal, which was sent to the floor by a 10 to 1 vote.

President Will Attend Funeral Of Justice Stone

Will Leave Yacht At Williamsburg
To Attend Services To Be
Held Thursday

WITH PRESIDENT TRUMAN ON CHESAPEAKE BAY, April 24.—(INS)—A saddened President Truman was expected to leave his yacht Williamsburg to attend funeral services in Washington tomorrow for the late Chief Justice Harlan Fiske Stone.

While there was no word from Mr. Truman, White House sources said it was assumed that the Chief Executive would interrupt his cruise for the Stone funeral.

Period Of Mourning

Mr. Truman last night ordered a 30-day period of national mourning for the late chief justice whose last rites will be held at Washington's National Cathedral Thursday at 2 p. m. EST.

The President directed that flags also fly at half staff in American embassies, legations and consulates throughout the world and that full military and naval honors be accorded the last of the "great defenders." Such tribute is generally reserved for presidents who died in office.

Despite his sorrow at Stone's death, the Chief Executive was refreshed after his 36-hour review of the war games, 100 miles out on the Atlantic from the Virginia Capes.

He witnessed simulated air attacks on carriers and bombers and heard the deep-throated thunder of the big guns of the battle wagons.

Mr. Truman saw the war games from the 45,000-ton carrier Franklin D. Roosevelt.

GEN. PATTON LEFT \$250,000 ESTATE

LOS ANGELES, April 24.—(INS)—Gen. George S. Patton, swash-buckling leader of the Third Army who was killed in a traffic accident in Germany last December, left an estate of approximately \$250,000, it was disclosed today by his will on file for probate.

Most of the estate was left to his three children, George S. Patton III, of West Point, and Mrs. Ruth Ellen Totten and Mrs. Beatrice P. Walters of Washington, D. C., but all of personal property, valued at about \$90,000, was willed to the widow, Mrs. Beatrice Patton.

Has Brief Reunion

Flying across the Atlantic in an attempt to reach the bedside of her dying husband, Mrs. Doris Grigsby (above), won the race, but only in time to see her husband die a half hour after her arrival at Camp Kilmer, N. Scene In Terror

NORTH HOLLYWOOD, Calif., April 24.—(INS)—Three flyers were killed and the lives of a family of five imperiled early today when a Western Air Lines DC-3 transport plane crashed in the backyard of a home at North Hollywood.

Dead were:
Wayne Martin Fidoeff, 27, the pilot, North Hollywood.
Marvin Dunlap Schwartzbach, 25, co-pilot, Roscoe.
Leon A. Turgeon, 37, mechanic, Hollywood.

Eyewitnesses said the plane plummeted to earth at 1:58 a. m., struck a tree in the back yard of Mathew Brychier and burst into flames after sprays of gasoline ignited a service porch.

As Brychier, his wife and their three small children fled in terror

Taft Proposes Outright Gift To Great Britain

WASHINGTON, April 24.—(INS)—Sen. Taft (R. O.) proposed today that the United States make an outright gift of one and one quarter billion dollars to Britain for financing purchase in America during the next three years.

In a Senate speech, Taft announced he will vote against the three and three quarter billion dollar loan to Britain.

The Ohio senator described the proposed credit as "part of a policy of lending about 20 billion dollars in the next three or four years."

He declared the loan would be "an instrument of ill will instead of good will" between the two nations.

Not Party Question

Taft, frequently the spokesman of his party on fiscal matters, said the Senate Republican leadership has ruled that the loan is "in no sense a party question." So he emphasized that he expressed only his individual view.

Taft asserted that Britain has offered "a substantial loan" to Russia. He added:

Host Of Voters Greets Duff In Reception Here

Candidate Informally States
Position On Number Of
Vital Issues During
Visit

ASSAILS EFFORT TO MOVE INDUSTRY

Lawrence county voters met Attorney-General James Duff and Col. Daniel B. Strickler Tuesday night, April 23, when a reception was held in the Castlelton hotel for the candidates for the Republican nominations for governor and lieutenant-governor.

For two hours the lobby was packed with voters and in the two-hour reception time many hundreds met the men they believe will be the heads of the state government for the four years beginning next January.

Discusses Issues

The reception was an informal one, with no speeches. However, at dinner, preceding the opening of the reception, Mr. Duff declared himself upon several issues. He attacked the proposed McCarren plan for shifting industries from the east and north to the west and south.

"This is the kind of sectional sabotage every citizen must resent and fight against," said Mr. Duff. "It seeks to raid this state and transfer an economic structure built by hard work, pioneering courage, thrift, native ingenuity and highly skilled workmanship. These are the commodities of human enterprise that can't be whisked away overnight by government plan or directive," said he.

Mr. Duff declared himself opposed to socialized medicine, as "likely to damage the real initiative of the medical profession," but he said he was "definitely in favor of the state making it its business to provide the facilities for proper examination." At Kittanning earlier in the day he had said that in order to encourage young doctors to engage in rural practice, he favors having the state provide such facilities as X-ray, Mr. Duff also scolded the needless pollution of streams and pledged himself to work towards the cleaning of streams in the state.

Commends Conservators

Mr. Duff is an ardent conservationist and said if elected governor he would develop and expand the state nurseries. "There are wide

Deshon Hospital Being Evacuated

BUTLER, Pa., April 24.—(INS)—The army's Deshon general hospital at Butler today evacuated its final group of patients preparatory to abandonment of the hospital by the end of the month.

The last group to leave the institution was 194 veterans who are being moved to the Halloran general hospital, Long Island, N. Y. Only 50 patients remained at the hospital and they will be discharged or returned to duty soon.

The flyer left three notes in which he protested the blight that had come over the romance between him and his bride.

Papana was in Poland on a private mission when Hitler invaded that country at the start of the war. He escaped to France and later made his way to the United States, where he served as a test pilot for the Lockheed and Northrop aircraft plants.

News Briefs

WASHINGTON, April 24.—(INS)—The U. S. Chamber of Commerce recommended to congress today that price controls with the exception of rent be eliminated by October 31 of this year and that rent control be abolished by March 31, 1947. At the same time, the chamber called for all wartime subsidies to be terminated not later than next October, declaring that they distort prices and production.

LONDON—A Lisbon dispatch to the London News Chronicle reported today that thousands of Nazis, many of them former Gestapo agents, are now training regular Spanish army troops along the French-Spanish border.

WASHINGTON—Army air force concentration on Arctic conditions was emphasized today by announced development of suits which enable their wearers to survive sub-zero waters.

WASHINGTON—Rep. Cannon (D) Mo., chairman of the house appropriations committee, revealed today that July 10 has been tentatively set as the date for adjournment sine die of the 79th congress.

LONDON—Diplomatic circles in London openly hailed the U. S. Security Council refusal to drop the Iranian question from its agenda today as chalking up a resounding victory for the council's authority.

Candidate For Governor Camps In Public Square

New Castle was a center for gubernatorial candidates Tuesday night. Not only was Attorney-General James Duff and Col. Daniel B. Strickler, candidates for the Republican nominations for governor and lieutenant-governor, here, but Staff Sgt. Carl E. Mau, of Marcus Hook, a GI candidate for the Republican nomination for governor, was also in the city.

At the height of the Duff-Strickler reception in The Castlelton lobby, Sergeant Mau and several of his party dropped into the hotel and introduced themselves. The veteran was taken over to meet Mr. Duff and an interesting few minutes ensued.

As he shook hands with Sergeant Mau, Mr. Duff said with a smile, "Well, young fellow, we're rivals now, but we'll be on the same team in November I hope."

"That goes for me Mr. Duff," said Mau. For a few minutes they talked of platforms and in many instances the two men saw eye to eye. Sergeant Mau has a number

Forty Schools To Send Students To Band Festival

Three-Day Festival Opens
Thursday, Closes With
Concert Saturday
Evening

Over 200 high school students from 40 schools in seven counties will arrive in New Castle Thursday morning for the beginning of the Midwestern Pennsylvania Band Festival, which consists of a series of rehearsals and social events with the concert on Saturday night as a climax.

Air Force Band Leader

Major George S. Howard, conductor of the Army Air Forces Band, will arrive on Friday morning to take over the direction of the festival band, and will lead the matinee program on Friday afternoon and the main concert on Saturday.

The first day's activities will be mostly business for the student musicians—registration in the morning and rehearsals in the afternoon and evening. Lunch and dinner in the Cathedral dining room will be the only social activities.

Dance Friday Night

Friday will start early, with rehearsal at 9 o'clock, rehearsal and a matinee in the afternoon, a dinner at 5:15, and rehearsals and a dance in the evening. The dance will be in the Cathedral ballroom.

Saturday's schedule has no rehearsals until 3 o'clock in the afternoon. A theater party has been planned for the students at 10 o'clock with a PSMA business meeting at the same hour. Directors and interested students both may attend the clinic on double reed instruments scheduled for 11 o'clock.

Blighted Love Is Held Responsible For Flier's Death

Find Body Of Famed Airman Alex-
andro Papania In Ravine Near
Las Vegas

LAS VEGAS, Nev., April 24.—(INS)—A love that suddenly turned cold was blamed today for the suicide of Alexandro Papania, well known aviator and sportsman.

On the basis of notes left by him, sheriff's investigators said the famed flyer, who once was personal pilot to King Carol of Romania, took his life because of the failure of his marriage of less than a month.

It was learned that Mrs. Jean Papania was planning to divorce him in Las Vegas, where they were married on March 30.

Papania's body was found yesterday in desert country south of Las Vegas. The flyer apparently had staggered into a ravine and died there after drinking poison from a thermos bottle found 200 yards from his body.

The flyer left three notes in which he protested the blight that had come over the romance between him and his bride.

Papania was in Poland on a private mission when Hitler invaded that country at the start of the war. He escaped to France and later made his way to the United States, where he served as a test pilot for the Lockheed and Northrop aircraft plants.

WASHINGTON, April 24.—(INS)—In-cumbent President Sergio Osmeña trailed Presidential Candidate Manuel Roxas by 40,000 votes in Manila precincts today as the count of ballots cast in the Philippine elections neared completion.

However, unofficial returns trickling in from outlying provinces served to reduce Osmeña supporters, crushed by the overwhelming majority given Roxas in Manila.

Unofficial reports from Pampanga in central Luzon claimed the province turned in a 67,000 majority for Osmeña, which would more than wipe out Roxas' lead in Manila.

Official returns tabulated by the Philippine election commission from provincial balloting showed Roxas was leading, but by a smaller majority than in Manila. However, Osmeña strongholds such as central Luzon and Cebu have not been recorded officially as yet.

Secretary Byrnes And Delegation Arrive In Paris

'Big Four' Foreign Ministers
Conference Will Be Open-
ed On Thursday

SESSION IS VITAL TO PEACE TREATIES

(BULLETIN)

PARIS April 24.—(INS)—Secretary of State James F. Byrnes arrived in Paris shortly after noon today prepared to join other "big four" foreign ministers in the world's most important conference since the Versailles peace treaty talks.

Byrnes was accompanied by Sen. Tom Connally (D. Tex., chairman of the senate committee on foreign relations, and Sen. Arthur H. Vandenberg (R. Mich.). They landed at Orly airport in President Truman's airplane, the Sacred Cow, after an uneventful transatlantic flight.

The American diplomats were met at the field by U. S. Ambassador Jefferson Caffery and his wife, and Pierre Schneider, undersecretary in the French foreign ministry. After brief greetings, they left by automobile for the American embassy.

Conference Opens Tomorrow

The vital conference for which official Paris has been preparing for weeks will open tomorrow—and this time the U. S. as a member of the United Nations is committed to its success.

Theoretically, the big four foreign ministers have scudged only preliminary negotiations for the peace conference of belligerents apart from Germany and Japan.

Open Bids For Route In City

State Highway Department
Announces Bids Received
Neal, Taylor Streets
Project

It is expected that the State Highway Department at Harrisburg will award a contract to the New Castle Duntle company to pave Taylor and Neal streets and Butler avenue extension, the firm having presented a bid of \$79,226.05 yesterday at the State Capitol, which was the lowest submitted.

According to city officials the bid includes work which must be paid by the city. However, the state will pay for the entire job and the city will reimburse the state. The city's share is about \$25,000.

To Handle Heavy Traffic

The stretch is 3,887 feet long or 73 of a mile of Route 79, known in state highway circles as a spur. It is designed to be a second route east and west through the city and when completed this summer will relieve East Washington street of considerable traffic.

In connection with the paving of Taylor street, Councilman D. O. Davies has won council's approval to pave that street between Neal and South Mill street. This will be a city job and bids will be sought after the necessary legal and engineering work has been completed.

Ponder Using State Troopers In 'Buzz' Menace

May Use Police To Report Low-Flying Planes That Are Harassing Residents

HARRISBURG, April 24.—(INS)—Officials of the State Aeronautical Commission and the Pennsylvania State police today were discussing the advisability of using State troopers to enforce regulations against low flying.

Commission Director William L. Anderson said the move was prompted by complaints from various communities that some pilots were "buzzing" towns and frightening the inhabitants.

His announcement came on the heels of the disclosure that the commission had received two West-

ern Pennsylvania airmen who had pleaded guilty to low flying. Both were fined \$12.50 and costs.

"We are in the procedure of setting up with Colonel C. M. Wilhelm of the State police a co-operative agreement whereby the Pennsylvania State police will report violations and will be the primary enforcement officers of the Pennsylvania aeronautics code, backed up by inspectors at hearings," Anderson stated.

There were no indications whether state airplanes would be used to form a special force of "air cops" to tighten enforcement.

Have Necessary Laws
"We have all the laws necessary to properly prosecute the violators," Anderson emphasized. He pointed out that violators were subject to a maximum \$200 fine and 30 days jail sentences.

Commission action against pilots flying at low altitudes followed a near collision over Philadelphia last week between a commercial craft and what was believed to have been a Navy fighter.

Lewisburg borough officials also have lodged complaints with aeronautical authorities charging that pilots of an unidentified airplane "buzzed" the community Saturday.

Anderson reported that operators of commercial airports and officials at military air establishments in the commonwealth would be enlisted in the campaign to halt low-altitude flying over cities.

He pointed out that the commission may recommend to federal authorities the suspension of licenses issued pilots who violated regulations and suggest that they be grounded.

In an effort to locate the pilots of aircraft flying at low altitudes, the commission has sent John MacFarlane, supervising inspector, to Philadelphia where he conferred with municipal officials and owners of airports in that area, Anderson said.

ANOTHER ATTACK
VIENNA, April 24.—(INS)—Another attack by four Soviet fighter planes on an American transport was disclosed today in an official report by Gen. Mark W. Clark to Russian authorities in Vienna.

The incident occurred near Linz on April 21. It was the third such attack.

PREDICT PRESIDENT WILL NAME DEMOCRAT TO BE CHIEF JUSTICE

(Continued from Page One)

names of Associate Justice Hugo L. Black, of Alabama, William O. Douglas, of Connecticut, Robert H. Jackson, of New York and Wiley Rutledge, of Iowa.

Among Those Mentioned
Among those mentioned for appointment to the court were Secretary of War Robert P. Patterson, Circuit Court Judge Orie L. Phillips of Colorado, Circuit Court Judge Sam G. Bratton, of New Mexico and Secretary of Labor Lewis B. Schweitzer of Washington.

There were as many reports in Washington that the president would name a Democrat to the court as there were in congressional circles that he would appoint a Republican.

The president has a wide choice of Democrats to succeed the late Chief Justice Stone. His closest personal friend on the court today is Associate Justice Black, who is now acting chief justice. This is the only acting chief justice Black must head the list of possibilities.

Justice Douglas is another favorite at the White House. It is known, however, that Justice Jackson, now prosecuting the German war criminals at Nuremberg, was considered in 1941 for the post of chief justice by the late President Franklin D. Roosevelt.

The "dark horse" is Justice Rutledge. Senate leaders doubted that Mr. Truman would dip into the senate ranks again to fill the court vacancy. Senators who would rank high in any such event included Austin (R) D. Miliken (R) Col. O'Mahoney (D) Wyo. and if he chose to rob the senate of its majority leader—Barkley (D) Ky.

Funeral services for the late Chief Justice Stone will be held in Washington's National Cathedral at 2 p. m. (EST) tomorrow. President Truman ordered a 30-day period of mourning for Stone.

"I saw a flash of fire and the plane started to fall. It looked like a flying comet."

According to airline authorities the plane crashed in a moderate fog after a check flight of nearly two hours.

Eighteen minutes before the crash, Piedmont called Lockheed air terminal's control tower saying all was well. But five minutes later he reported an engine failure and asked permission to land in a direction other than that originally planned.

The crash came, airline officials said, as the pilot, operating with one engine, hovered around an attempt to land in the opposite direction.

Ex-Mayor Mayne Tackles Man Who Swings At Him

Seventy-Five-Year-Old Ex-Mayor Sidesteps, Slips Punch, Grabs Man Who Flees

Once upon a time there was a song, the title of which was "He's old but a little tough." This ancient song was recalled when one William Nygard, about 35, of Ellis way, was before Mayor John F. Haven in police court today upon charges of drunkenness and disorderly conduct following an attack upon former Mayor Charles B. Mayne, about 75 years old.

The former mayor was conversing with a woman at East Washington street and Diamond way at 6 p. m. Tuesday, when Nygard reportedly approached and "reminded" the ex-mayor that he had "given him 30 days in jail" when Mr. Mayne was mayor.

He then reportedly applied a vile epithet to Mr. Mayne, then followed with a swing.

Being alert and despite his age, nimble of feet and quick of eyes and hands, the ex-mayor side-stepped, rolled his head to the side, slipped the punch, then seized his assailant.

However, the man broke loose from the ex-mayor and fled.

He was "rounded" up Policemen H. L. Richards, James and Russo and despite his plea "I was drunk and am sorry," Mayor John F. Haven imposed a fine of \$25 or 30 days in jail upon the defendant in police court today.

SOVIET ACTION AT UN PARLEY FORCES RECESS
(Continued from Page One)

the two governments had been solved, and that all Red troops would be left by May 6.

If so far as diplomatic observers can ascertain—Soviet forces actually have left Iran by May 6, automatically there would be no issue left before the security council.

It was noted especially that Soviet delegate Gromyko did not take another word yesterday when he was voted down.

The consensus was that he wanted to be in on Thursday's debate over the charges that Franco Spain was menacing world peace and security by harboring Nazi scientists engaged in whipping up new weapons of war, and that the manning of the French border with nearly half a million troops was a definite warlike gesture.

Behind Scenes Moves
NEW YORK, April 24.—(INS)—The Soviet Union has launched a two-pronged attack to have its veto power over Security Council "questions of substance" extended to cover such procedural matters as the present Iranian dispute.

Soviet representative Andrei Gromyko's "sit-down strike" yesterday against taking further part in the Iranian debate was the public spearhead of the drive.

But behind the scenes, the Soviet is making a strong fight before the committee of experts for a procedural rule which would amount to veto over procedural matters as well.

Unless the issue is ironed out in the committee, it may be fought out on the floor, and even become a major issue before the United Nations general assembly meeting Sept. 3.

Under the UN charter, it would take a two-thirds vote of the 51 nations, including seven Security Council members, to get rid of the provisions, including a unanimous affirmative vote of the big five powers on Security Council "questions of substance."

sible by our lending money to England.

"Such loans would result in British exports being made without any imports in return and would thus defeat the very alleged purpose of the present loan."

Hits At Empire's Need
Taft hit also at the question of the British empire's need of such aid, and pointed out that most European countries have not yet forgiven Britain her war-incurred debts.

Only Canada, he said, pursued a lend-lease policy.

Meanwhile, he said, South Africa has been mining gold at the rate of nearly a half billion dollars a year. Its government, he said, has increased its gold reserves from a quarter billion to three quarters of a billion.

The remainder of South Africa's gold production, Taft declared, must have remained largely in the British empire and must be available for the payment of foreign balances.

Arguing for his outright gift to Britain, Taft said:

"I favor special treatment for the British people. I recognize Britain's vast output for war. I think all lend-lease obligations should be forgiven."

"I regard this additional grant as merely an appendix to the lend-lease policy."

Policeman Wounds Would-Be Robber
HARRISBURG, April 24.—(INS)—A man identified as Purvian Moore, 22, of Harrisburg, was seriously wounded today when shot while fleeing a policeman who caught him in an attempted robbery.

The youthful Negro bandit was captured after knocking Jerome Schwab, also of Harrisburg, to the ground and stealing his watch and wallet. Schwab chased him literally into the patrolman's arms.

Leather-making was probably one of the first manufacturing processes of primitive man. In cave men days, crude leather soles were attached to the feet by thongs, and served as the first shoes.

areas of waste land in Pennsylvania that could be used for reforestation," said he. The land is unfit for farming and too isolated for commercial or industrial use, but ideal for reforestation.

He was told of the work of the Lawrence Conservators, a local group that has planted scores of thousands of trees in Lawrence county. Mr. Duff was warm in his praise of the work of the Conservators and expressed the hope that such a movement would expand beyond the confines of Lawrence county.

Answers Definite
Mr. Duff is anything but conventionally political in his approach to voters. His answers to questions are definite, his demeanor is that of a man who is honestly interested in being governor of Pennsylvania, not for the usual political reasons but because he believes he can serve.

Colonel Strickler
Col. Daniel B. Strickler, the candidate for lieutenant-governor, met a lot of former soldier buddies in the hotel. Colonel Strickler served in the 28th Division in World War One, and again in the 28th in World War Two. New Castle was well represented in the division in both wars. In private life Colonel Strickler is an attorney in his native city of Lancaster and is a former member of the General Assembly.

Travelling with the Duff-Strickler party was State Senator Watkins of Lackawanna county who met a lot of old friends here during the evening. Political writers of metropolitan dailies accompanied the group.

Mr. Duff left late Tuesday night for Philadelphia where he had some state business this morning. Later today he was to be flown to Erie where a meeting is scheduled for tonight.

CLINE AWAITING HIS SENTENCE
(Continued from Page One)

evidence that Cline traced the signature of Mrs. Eva Delora Krebs, his last known wife, on certain documents relating to stock certificates after her death.

The other count involved forgery of a deed to four Richmond, Cal., lots belonging to the late Mrs. Elizabeth Hunt Lewis of Oakland, Cal.

Became Suspicious
The \$23,000 estate of Mrs. Krebs Cline came in for attention during the forgery trial when Attorney Gerald Ryan of Chicago appeared a witness.

Ryan stated that as attorney for the estate he became "suspicious" of Cline when the defendant wired the estate in Portland, Ore., in November, 1945.

The prosecution maintained during the forgery trial that Mrs. Krebs Cline actually died in October, 1944 in Dallas, Tex., and was cremated there under the name of Mrs. Alice W. Carpenter.

Cline although named heir by Mrs. Krebs Cline agreed in a court action in Columbus, O., to reduce his claims.

Under the agreement which has not yet been approved by relatives of the wealthy woman, Cline accepted as his share \$28,970 in cash and \$5,000 in securities. It was further stipulated that Cline would receive \$21,775 of this amount to his San Francisco attorney, J. W. Ehrlich, and \$7,195 to Willis H. Liggett, his Columbus counsel.

Police believe that Cline has accumulated other funds to the exclusion of several hundred thousand dollars from bequests left to him by his well-to-do wives and other persons. This money is believed hidden in safe deposit boxes in Pacific coast banks.

FORTY SCHOOLS TO SEND STUDENTS TO BAND FESTIVAL

with Professors Schultz and Adams as speakers. Both men are of the faculty of the Music department, School of Fine Arts, Carnegie Tech.

Program Diversified
Friday's matinee is for fifth and sixth grades and junior high schools, but the Saturday evening concert is open to the public. Under the direction of Major Howard, the band—which is made up of the best high school musicians throughout the district—will give a program that includes such diversified numbers as Cesar Frank's "Paris Anzelleus," the well-known "Mala-zena," scenes from Wagner's "The Ring of the Nibelung," and Sousa's "Stars and Stripes Forever."

Under the general chairmanship of Clara E. Book, principal of the Senior High school, 68 students and faculty members have worked out the details of the festival and have planned a smoothly-operating affair. Housing has been found for all of the 200 visitors, through the cooperation of citizens of New Castle and the work of the housing committee, under Mrs. Marjorie Nelson.

SECRETARY BYRNES AND DELEGATION ARRIVE IN PARIS

(Continued from Page One)

But, in reality, this meeting of the big four shapes up as the real peace conference.

Unlike after the First World War, when the congress scotched the U. S. plan to join the League of Nations, the United States is definitely in its insistence for a final solution in its problems confronting the conference.

To this end, the congress loaned its support by approving of the United Nations.

Preliminaries for big four agreement on the matter of treaties were begun last December. They still are going on, but when the peace conference finally meets, it is expected to last more than two months.

Fate Of Europe At Stake
PARIS, April 24.—(INS)—Strong belief prevailed among Allied statesmen arriving today in Paris that the big four foreign ministers conference may develop into the greatest international poker game in history with the fate of Europe as the stakes.

American and British governmental experts on the scene for the conference opening tomorrow believe Soviet Foreign Minister Vyacheslav Molotov is coming to Paris to strike a bargain.

It is thought that Russia may be prepared to give way on such issues as the demand for virtual acquisition of Italian colonies in return for concessions in respect to the Dardanelles.

Offers Expected
The government experts believe also that Molotov may offer to reduce Russia's reparations claims against Italy on condition that Yugoslavia be given Trieste.

Sources close to U. S. Secretary of State James F. Byrnes say he is determined to stand firm for the application of principles of justice to peace treaties with Italy and

former enemy nations in the Balkans.

However, if the conference becomes a poker game Byrnes is expected to use the prospective grant of a billion dollar loan to Russia by the United States as his trump card.

Western Allied diplomats are convinced that unless a give-and-take attitude prevails, the conference will collapse because the United States and Great Britain are unalterably opposed to granting all Russian demands.

PAYMENT APPROVED
HARRISBURG, April 24.—Auditor General G. Harold Wagner today approved payment of \$2,000 to Jameson Memorial hospital, New Castle, for the quarter ending February 28, 1946, from appropriations authorized by the legislature for the support of state-aided institutions.

The payment is based upon the number of patients receiving free treatment, and general maintenance costs.

Paper single-service containers for milk were patented in 1906.

What Would You Seek In Funeral Service?

Boyd Funeral Service was founded upon the very simple belief that trustworthy, personal service and fair dealing would be appreciated by the families of this community.

That belief has been justified. Through the years a steadily increasing number of families has been turning to this organization for funeral service. To each we give the same care and personal attention that we would appreciate in like circumstances.

FAREWELL RECEPTION GIVEN DEACONESSES

In the Irene Maitland Deaconess Home, Phillips street, on Tuesday, the board of managers tendered a farewell reception in honor of the two deaconesses, Miss Ida Schmucke and Miss Alma Wolterton, who plan to leave New Castle, Miss Schmucke to return to her home in Iowa and Miss Wolterton to take up new duties in the late summer.

Between the hours of 2 and 5 o'clock in the afternoon, and 7 and 10 o'clock in the evening, more than 200 guests were received, among them guests from Grant's Pass, Oregon, Monongahela City, Sharon and New Wilmington. Those who called to extend good wishes registered in two guest books, later presented one to each of the guests of honor.

In the receiving line with the deaconesses were members of the deaconess board.

Miss Schmucke and Miss Wolterton were each presented with a gardenia corsage by Mrs. Roy C. Miller, president of the board.

Refreshments were served from a table beautifully decorated with spring flowers and white tapers.

Those who poured during the reception hours were Mrs. J. A. Waddell, Mrs. Maude Montgomery, Mrs. L. P. Hemenway, Mrs. J. P. Fentz, Mrs. George Kutz, Mrs. B. E. Aley and Mrs. W. A. Bugbee.

Chairman of arrangements was Mrs. Wayne Stitzinger, assisted by Mrs. J. M. Edwards.

In charge of registration of guests were Mrs. O. C. Mauck, Mrs. Harry McCurdy, Mrs. Chester Reynolds, Mrs. J. M. Wilson and Mrs. William Shanafield.

Aides were Mrs. W. C. Davis, Mrs. Charles Melver, Mrs. P. Benninghoff, Mrs. A. W. Walters, Mrs. James Y. Johnson, Mrs. W. H. McClurg, Mrs. Ralph Taylor, Mrs. R. C. Cather and the Misses Olive Van Horn, Luella Rowe, Jean Carrigan, Mary Lou McCreary and Lois J. Hogue.

"RAZIER-MAYER" NUPTIALS TUESDAY

Miss Catherine A. Rrazier, daughter of Mr. and Mrs. David K. Rrazier, of 927 Western avenue, this city, became the bride of Thomas C. Mayer, son of Mr. and Mrs. Thomas C. Mayer, of Slippery Rock, at a quiet ceremony, performed Tuesday morning, April 23, at 10 o'clock in the rectory of St. Mary's parish. The Rev. P. M. McCarty, using the double ring service, officiated.

The bride, attired in an Alice blue street-length dress, accented by navy blue accessories, wore a shoulder corsage of gardenias.

She was attended by her sister, Mrs. John W. Glenn, of this city, who wore a beige dress with brown accessories and a shoulder corsage of pink roses. John Treese, of Beaver Falls, served Mrs. Mayer as best man.

Following the ceremony, a wedding breakfast was served at the home of the bride's parents.

The young couple left for a wedding trip, and upon their return, will reside temporarily at the home of the bride's parents.

Mrs. Mayer, a graduate of New Castle High school in the Class of June, 1942, is employed in the office of the Standard Steel Spring company.

Her husband, who was recently discharged from the army after two years of overseas duty, is affiliated with the Cooper-Bessemer company, Grove City.

Federation Spring Meeting Speaker Mrs. Joseph Dury

Representatives of 17 member clubs of the Lawrence County Federation of Women's clubs met Tuesday in the First Presbyterian church for the annual spring meeting of the federation. Registrations during the day for morning and afternoon sessions were in charge of the Reading Circle 06.

Woman's club of Wampum was the hostess club and Federation Junior club was in charge of luncheon arrangements.

Mrs. Dury Speaks

During the afternoon session, at which Mrs. Charles E. Allen presided, members heard Mrs. Joseph Dury, of Sewickley, program chairman of the State Federation of Women's clubs, speak on the question, "Are You on the Program Committee?" Mrs. Dury was introduced by Mrs. Lucien Black, president of Lawrence County Federation.

First thing in planning a program Mrs. Dury said, is to decide what you want a program to give you. She looks for one of three things from a program, she said, mental stimulation, or beauty, or a chance for expression.

Some things to keep in mind in planning a club's program for the year, she suggested, are a central theme or aim, balance, and whether its time-limits are suitable.

She made a number of other specific suggestions to members of securing good programs and in closing suggested that women's clubs are going to have to take more responsibility in training members to take part in public life.

Morning Session

During the morning session, at which Mrs. Charles Wallace, of Ellwood City, presided, those present heard a report of the work done by the Youth Conservation committee. This was given by Mrs. C. R. Kenaday, of the Federation Junior club. Material on findings of the committee was available in the survey report.

John R. Preston, of the New Castle Veterans Advisory Council spoke at the morning session on "The Community's Responsibility to the Returned Service Man."

He outlined something of the

problem of readjustment with which the returned service man is faced, told what the veteran himself must do on returning from service and explained that the job of the Advisory Council is primarily one of referral, or interviewing and counseling. After the routine of service with the armed forces, veterans need stimulation to readjust to make their own decision, he said. And here is one of the community's primary responsibilities to these young citizens.

The morning session opened with invocation led by Mrs. John Orr, of the Thursday club of New Wilmington. Salute to the flag was led by Mrs. H. E. Golder, of the Woman's club of New Castle.

Mrs. Charles Remman, of the Woman's club of Wampum, brought greetings to the assembly.

Soloist was Mrs. John Orr, accompanied at the piano by Miss Lena Richards, of the Woman's club.

To open the afternoon session, Mrs. B. S. Asnew, of the Woman's club, led "Hail Pennsylvania," followed by the Club Collect led by Mrs. William Cosel, of the New Castle section of the National Council of Jewish women.

Poetry Awards

Poetry awards from the state were presented to Miss Allura Leslie, of College club, who won the award for the poem most suitable for setting to music and to Mrs. C. B. Brenner, of the Woman's club, who won the award for her lyric and sonnet entries.

Woman's club of Ellwood City chorus under the direction of Mrs. William Warnock presented a program of vocal selections.

Before adjournment, Mrs. Lucien Black read a letter she had received from Miss Alice Marie Gishwhite, a former vice president of the county federation, now in Cairo, Egypt, with the U. S. Department of State.

Mrs. John Z. street, of the Ready Circle, gave a report for the courtesy committee. Mrs. J. Albert Wilson for the registration committee.

Date of the southwestern district meeting in Pittsburgh was announced for September 19.

Farm Training Program Starts

Vocational Agricultural Training Now Being Given Veterans Under VA

STILL ROOM FOR MORE VETERANS

Ten Lawrence county veterans have started training for agricultural pursuits under the Federal Vocational Agricultural Training Program, it was announced today by Chairman James Fink, County Vocational Agricultural Advisor, who is head of the committee for the county. The program got under way with the arrival of Robert E. Elder, who will be the instructor in Lawrence county. There is room for five additional World War Two veterans who can qualify, Mr. Fink stated. Mr. Elder, who will instruct the trainees, is a veteran of World War One, and has had considerable experience in the vocational agricultural field. He has taught vocational agriculture at Newark, Del.; Fredonia, Pa. and Stoneboro, Pa. Later he served in Agricultural Conservation work in Pennsylvania, while operating a dairy farm in Mercer county, of which he is a native.

His office will be located with County Agricultural Advisor James Fink, in the Court House Annex, where veterans interested in one-the-job vocational training may apply. The program is being offered veterans here under the on-the-job training plan supervised by the Veterans Administration.

INFANT INJURED IN FALL DOWN STEPS

Gary Whiting, aged 26 months, infant son of Mr. and Mrs. Lee Whiting of West Fairmont avenue, was treated at the Jameson Memorial hospital at 6 p. m. Tuesday for a laceration of the head. The little fellow was injured when he fell down a flight of steps at his home.

Y.M.C.A. NOTES

Plan Final Meeting

At their regular meeting Tuesday night in the club rooms if the central Y. M. C. A. the Hi-Y club of George Washington high school drew up plans for their final meeting of the year which will be held April 30.

Members will enjoy a swimming party, a bean dinner and sound movies. An election of officers for next year will also be held.

Springtime Play At West Side School

Following weeks of practice, students of the West Side grade school presented a Springtime play, before the entire assemblage of the school. The play and program was directed by Miss Bette Brown, with the music under the supervision of Miss Margaretta Hess.

Working in the Easter motif with their dramatization, the play started out on the lighter side and going into the meaning of Easter and the resurrection. Donald Campbell, one of the pupils, read the story of the crucifixion.

Music for the performance was provided by a vested choir of fifty voices, which added to the uniqueness of the program.

Those appearing in the performance included: Dorothy Chadbolt, Gaylene Deiger, Betty Pearsall, B. atrice Roebuck, Margaret Harris, Janice Owey, Donald Campbell, Carl Black, Shirley Fye, Jonathan Tucker, Betty Durlleser, Ann Deiger, Patty Dixon, Patty Hiler, Ruth Williams, Charles Rigby, Clarence Russell, Ronald Rose, Robert Schweikert and Henry Hamilton.

City Realizes \$2,202 From Sale

City of New Castle realized \$2,202, from the sale of kitchen and dining equipment which was auctioned off by Auctioneer Harry Cunningham, acting for the city of New Castle at Cunningham park yesterday afternoon. According to reports this was more than had previously been offered for the equipment.

One Police Officer Is Still In Armed Service Of U. S.

All members of the city police force who went into military service have now returned to duty excepting one, Walter Towell, who is still in service, according to Police Chief Robert D. Hanna. He said today that he expected George Sider, captain of military police, to resume his former position on the local force Thursday.

There are eight or nine men serving temporarily on the force. It has been reported that a civil service examination to procure eligibles for permanent positions will be held several weeks hence. Mayor John P. Haven indicated some days ago that he proposed to confer with the civil service board relative to a police school being established here to help the candidates who apply for the examinations.

Michigan State Police Are Called To Strike Riot

WAYNE, Mich., April 24.—(INS)—Michigan state police joined Wayne county officers in an attempt to halt a "riot" of strikers at the Stinson Aircraft division of Consolidated Vultee corporation in Wayne.

Gov. Harry F. Kelly ordered the state troops dispatched to the strike-bound plant after the county sheriff's office described the situation as "out of control".

Sheriff Andrew C. Baird said his men were unable to cope with the situation.

Company spokesmen charged that cars were smashed and "goon squads" were roaming the highways in automobiles.

John Prioletti Given Discharge

T-4 John P. Prioletti, Jr., son of Mr. and Mrs. J. P. Prioletti of this city, was discharged from the Army at Fort Meade, Md., April 20.

T-4 Prioletti enlisted in the Army specialized training program February 4, 1944, leaving his medical studies. He was sent to Pennsylvania State college, where he began his engineering course. From there he went to Camp Blanding, Fla. for his basic training and was later admitted to Virginia Polytechnic Institute, where he completed his engineering course.

He was a classification specialist at Camp Polk, La., up to the time of his discharge. He plans to enter the University of Pittsburgh this summer to continue his pre-medical studies.

"UNBLOCK" your DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda and Alkalizers

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalizers if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all. But in the intestinal tract where 80% of your food is digested. And when it gets blocked it fails to digest properly.

What you want for real relief is not soda or an alkalizer—but something to "unblock" your intestinal tract. Something to clean it out effectively—help Nature get back on her feet.

Get Carter's Pills right now. Take them as directed. They gently and effectively "unblock" your digestive tract. This permits your food to move along normally. Nature's own digestive juices can then reach it. You get genuine relief that makes you feel really good again.

REV. W. F. BYERS NEW MODERATOR OF PRESBYTERY

Shenango Presbytery Acts On Petition Of Calvary Church To Become Independent

REV. WILLIAM F. BYERS

Rev. William F. Byers, pastor of the Neshannock Presbyterian church, New Wilmington, was elected moderator of the Shenango Presbytery Tuesday morning, at sessions held in the Moravia Presbyterian church. At the sessions, the Presbytery also officially endorsed Rev. Byers as a candidate for moderator of the Synod of Pennsylvania.

The meeting of the session was opened by J. Audley Book, after which the remainder of the day was in charge of the newly elected moderator, Rev. Byers.

Calvary Withdraws

A petition from the Calvary Presbyterian church of East New Castle, was presented to the Presbytery, asking that the church be relieved of its obligation to the Presbyterian church to become an independent community church. The petition was granted by the Presbytery. Calvary Presbyterian church originated as an independent community church some years ago, later uniting with the Presbyterian church. The board of the church asked for official separation from their Presbyterian affiliation.

A resolution was adopted to be sent to the Congress of the United States urging members of Congress to introduce legislation to prohibit the use of wheat in the manufacture of alcoholic beverages.

Commissioners Named

Rev. Roy Sumner, of Ellwood City, and lay delegate Ray Thompson, of the Neshannock Presbyterian church, were elected commissioners to the General Assembly.

Rev. W. F. Byers, of New Wilmington and Rev. Robert M. Patterson, of Central church, New Castle, were elected delegates to the Pennsylvania Synod which will be held in Chambersburg, Pa. June 24. Elder C. Marshall, of Sharon, and Elder T. J. Gibson, of the Westfield church, were both elected as lay delegates to the Synod.

An expression of sympathy was read from the Rehabilitation Fund committee, to Elder J. S. Bowater, of Ellwood City, who recently sustained the loss of his wife through death.

Arrest Man For Criminal Attack

PITTSBURGH, April 24.—(INS)—A Pittsburgh father of three, accused, police said, of a criminal attack on a 17-year-old girl, was taken into custody today on a district attorney's detainer.

The man was identified as Peter Karmazin, 33, by County Detective William Connolly.

Connolly said Karmazin "picked up" the girl yesterday and drove her to a dime store where he bought her some hobby pins. Connolly said the pins were used "to put up" the girl's hair so she would look older. Karmazin then drove the girl to a tourist cabin, Connolly said, and kept her there until early this morning.

UNION TOWNSHIP PTA ENJOYS TEA

Contests, Play Add To Entertainment At Annual Event At Union High School

Two hundred members of the Union township PTA attended the tea given in the Union high school auditorium Tuesday evening with contests and a play preceding the tea.

Thomas Griddle, who served as master of ceremonies, opened the program by singing "Always" with Mrs. John Griddle accompanying him on the piano.

Winners Announced
Winners of the oldest-persons contest were Mrs. Rachel Bowden, who received a corsage, and George Shuler, who won a boutonniere. Prizes for those who had traveled the farthest went to Mrs. Henry Granger of Worcester, Mass., and to Tom Seidner of Poland, O.

The man with the loudest tie, Ryan Fabian, was awarded another loud tie, while the lady with the

craziest hat, Mrs. Dan Radabaugh, won a pair of nylon hose. Entries in the craziest hat contest included one which sported a miniature spinning wheel, one which had fried eggs on toast and a number which were made of vegetables. Mrs. Radabaugh's was made of kitchen utensils.

Share in Plans
Taking part in the play, which was directed by Miss Erma Paden, were Mrs. Eleanor Bowden as Mrs. Scrutiner, Mrs. Nick Raymond as Mrs. DeVold, Mrs. Maud Cooper as Mrs. Iona Child, Mrs. Dan Radabaugh as Mrs. Vin Dietrich, Mrs. Howard Cox as Mrs. Van Snoot, Mrs. George Matlocks as Mrs. Penny Squeezer, Steve Homm as Algeton, Aloysius DeVold, George Matlocks as Horace Archibald, Child, Harold Barber as Mike Vin Dietrich, Robert Torchio as Ike Vin Dietrich, W. T. Patterson as Chauncey Van Snoot, Mrs. Robert Torchio as Pansy Squeezer, Howard Cox as Mrs. Abigail Smart, Ed. Donley as Prof.

Guzzlesoup, and John Turek as Mr. Daffodil, the poet.

Group singing was led by Miss Betty Robinson, with Elizabeth Cooper as accompanist. Following the program tea was served at a number of tables set up in the auditorium. Hostesses were PTA members.

Claims Veterans Err In Dropping Their Insurance

VA Insurance Director Says Vets Forget Policies After Their Discharges

SMALL PERCENTAGE CONTINUE PAYMENT

PHILADELPHIA, April 24—(INS)—A majority of World War II veterans like their G. I. fathers, apparently held their national service life insurance policies until they were back in tweeds and then—presumably—forgot all about them.

E. I. Burns, director of insurance for the Veterans Administration in Philadelphia, estimates today that approximately 1,794,000 service policies were issued to service-residents of Pennsylvania, New Jersey and Delaware.

Of that number, he told International News Service, only 627,000 or 35 per cent of the policies are still in force.

Nationally, Burns added, a Veterans Administration survey shows that of men separated from the armed forces during July, August and September of last year, 65 per cent paid no further premiums until January, 1946 and 74 per cent paid no more than one premium.

A glance at musty records revealed that veterans of World War I gave even less thought to federal insurance benefits. Following the first war, the number of policy lapses amounted to 85 per cent by June 30, 1925, Burns reported.

Conversions Increase However, the number of converted World War II policies has increased, he said. In June of last year conversions totaled 96,159 as compared to 142,525 by the end of December, 1945.

Applications for conversion during the first two months of this year were 30, 973 and 36,267, respectively. The 20-payment life insurance type was responsible for 73.1 per cent of the conversions, Burns explained.

Despite the record number of lapses, Burns does not consider the figures significant of any opposition on the part of the veterans to this form of insurance.

He believes it is rather a "case of neglect" on the part of the veteran in failing to keep up premium payments after automatic payroll deductions ceased upon separation from service.

"Owing to the rapid rate of demobilization," Burns said, "it has been extremely difficult to present to each veteran the advantages to be gained by continuance of national service life insurance."

"Booklets on this subject were given to all veterans at time of discharge. But in their anxiety to get home, they often dropped these booklets by the wayside without heeding the instructions."

The Veterans Administration in Washington, alarmed at the high rate of lapses, announced recently liberalization for reinstatement.

May Reinstatement Contract Any veteran who has dropped his term insurance may at any time prior to Jan. 1, 1947, reinstate his contract by merely paying two monthly premiums and submitting a signed statement to the effect that he is in as good a health as at the time of lapse.

The new liberalization in no way effects the requirements concerning the payment of premiums, Burns pointed out. In case of insurance which has not been converted to a permanent form, only two months premiums need accompany an application for reinstatement.

In the case of insurance which has been converted, Burns explained, all back payments must be made with interest.

Under the VA plan, disabled veterans will get a break, he said, providing their condition has not worsened during the period of lapse; they will be able to have the protection of their policies restored, Burns pointed out.

Veterans receiving disability pensions, he added, may authorize the VA to deduct their premiums from such payment, providing, of course, that the pension payments are large enough.

Burns estimated that individual policies held by ex-servicemen in the Tri-State area average more than \$5000.

Garden Notes

By Lewis C. Dayton,
County Agent

FIVE OBJECTIVES IN GROWING HOME GARDENS OUTLINED

Growing home vegetable gardens this year will increase family security as well as enable the shipment abroad of more foodstuffs for famine relief. By taking advantage of the first opportunity for getting their plots started, gardeners will have a head start later on in the gathering of early produce for their own use.

The principal reason for the emphasis being placed upon home gardens, is to "increase the total food supply making possible larger shipments abroad—and making sure we'll be having more for ourselves here at home." Another objective is to produce and conserve extra food for relief and local needs.

Home gardens will increase the family security through protection against potential shortages, through savings on the food bill, better nourishment and an increase in value of the home investment. Locally-grown produce reduces the overload on transportation facilities.

Gardens help promote community development and family health, through more attractive home surroundings, recreation, and relaxation from the strain of the times. Grow enough to supply your needs for fresh vegetables and as much extra as you can preserve for family use. Remember that some vegetables may be stored without preserving.

The Greatest Suds Discovery in 2000 Years!

Procter & Gamble's **dreet** brings you **FASTER, BRIGHTER, SAFER CLEANING** than any suds before in history!

Lingerie

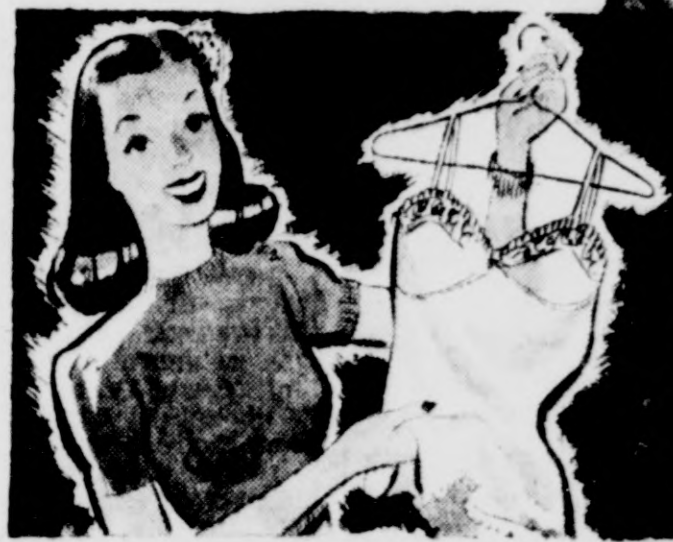

STAYS BRIGHTER! FRESHER! NO SOAP-FADING!

It's the greatest suds discovery in 2000 years! You'll agree when you see the way Dreet keeps your lovely lingerie color-bright and fresh far longer than ever before! There's no film to cause soap-fading. Dreet's rich suds keep your pretty slips, blouses, "undies" brighter and fresher than any soap could ever do.

New Woolens

WASH SOFTER AND FLUFFIER THAN WITH ANY SOAP!

It's True! When washed in Dreet suds your precious new woolens are a joy to look at—a delight to feel! There's no soapy deposit to coarsen woolens and dim their colors. **Baby Things, Too!** Your lovely new sweaters and baby things wash softer and fluffier than with any soap—even the most expensive soap flakes!

Dishes Shine Without Wiping!

It's a Fact! No soap in the world performs the wonders Dreet performs in your dishpan. It makes dishes positively shine—even without wiping or polishing.

No Streaks! Dreet's amazing suds rinse clean and clear—leave no greasy streaks or cloudiness the way all soaps do.

Kind to Hands! Even glasses sparkle without touching a towel to them. And Dreet is kind to hands.

BEGINS DIVORCE FROM FATHER OF ENGLISH "QUADS"

PITTSBURGH, April 24.—(INS)—
The divorce hearing for Eleanor
Thompson of Pittsburgh, whose hus-
band admitted he was the father
of quadruplets born to an unwed
British barmaid, was scheduled to-
day in common pleas court.

The attractive Mrs. Thompson
said she would base her divorce on
the world-wide publicity given the
quads and their mother, Nora Car-
penter.

Attorneys for William Thompson,
father of the children, said they
would not contest the action.

Optimist Club Meeting Tonight

Ellis Donahoe, counselor of Opti-
mist International, announced to-
day that a special meeting of the
New Castle chapter of the move-
ment has been called for tonight.
The session will be held in the ball-
room of The Castleton hotel, be-
ginning at eight o'clock.

An entertainment program has
been scheduled for the evening and
plans concerning membership for
the club will be discussed. It is
planned to hold a dinner meeting
sometime next week, at which time
an election of officers will be in-
stituted.

Sharon club officers, sponsors of
the local branch, will attend this
evening's meeting. It was an-
nounced.

Two Sentenced For Embezzling

FREEPORT, Ill., April 24.—(INS)—
Two bookkeepers of the American
National Bank and Trust Co. of
Rockford, Ill., were under sentence
today of three years each in prison
for embezzling \$113,000 from the
bank over a 20-year period.

They are Mrs. Lillian E. Cassiopi,
39, and Herbert O. Erickson, 38,
head bookkeeper of the bank. Both
pleaded guilty in federal court.

Mrs. Cassiopi told Judge Elvey
Shaw that she had embezzled the
money to help care for her father,
mother and nine brothers and sis-
ters. Her last remark as she left
the courtroom was:

"Now, I'm penniless."

Similar for today: As useless as
appealing to the fairness of a wom-
an who has 48 pairs of nylons and
grabs another dozen.

EXECUTIVES CLUB Hears Of Trip To Amazonian Jungle

Capt. John Deuel Thrills Audience
With Tales Of Jungle Beauty
And Danger

Giving his audience a panoramic
image of exotic color and lurking
danger, Captain John V. Deuel, U. S.
Army, resigned, spoke at the dinner
meeting of the Executives club in
The Castleton hotel Tuesday eve-
ning, on the subject of his scientific
expedition up the wild Amazon
valley.

Introduced by J. Glenn Berry, the
speaker brought to his audience
both understanding and enjoyment
of his subject. From the mouth
of the world's most powerful river,
where the waters are 400 miles wide
at floodtime, to the inland haunts of
the headhunters and the land of
the howling monkeys, Capt. Deuel's
outfit traveled in constant danger
from the jungle animals and the
Indians. Their collection when they
returned included two 20-foot boa
constrictors, a 29-foot anaconda, a
handsome king vulture, tapirs,
jacquins, ant eaters, 82 kinds of fish
and 63 varieties of bird life.

Chief Liked Parol

Most appealing of all the char-
acters which Capt. Deuel described
was the Indian chief who guided
him through much of the wild, un-
charted country, and whose prize
possession was a pink parasol which
Capt. Deuel had given him.

This territory would support a
tremendous population, the speaker
pointed out, adding the immensity
of the river and of the territory
drained by the Amazon and its
tributaries is almost incompre-
hensible to North Americans.

Capt. Deuel is the author of two
best sellers, "Speed Wings" and
"White Cayuga," and is a recog-
nized authority on aviation.

Executives club president, Alvah
Shumaker presided at the meet-
ing, announcing that the directors
and secretary would meet with Don
Bates, a representative of the New
York office of the Executives club,
to select next season's programs.
The next dinner meeting of the
club will be in October.

RAILWAY EXPRESS Drivers Awarded In Safety Drive

In connection with the Railway
Express Agency safety plan, now in
its twelfth year, several drivers of
the local agency were recently
awarded merit cards for safe driv-
ing of company vehicles during the
year 1945.

Drivers who received these cards,
with the number of accident-free
years accomplished are as follows:
The years, Jesse Ackworth and Ar-
thur Proletto; six years, E. H.
Goughler and S. Rice; two years, P.
Conti and John Aeppli; one year,
Jack Hare and John O'Patches.

During the entire year of 1945
these drivers handled their vehicles
over several thousand miles during
the height of auto and pedestrian
traffic without a single accident
charged against them.

Local Red Cross Makes Menus For National Meeting

Volunteers at the local Red Cross
chapter have been asked to make
menu covers for the convention
dinner at the 21st annual conven-
tion of the American Red Cross in
Philadelphia, June 18-21.

"Internationalism" has been
chosen as the theme of the designs,
which will be done in bright colors
on a white background.

The convention sessions will take
place in Convention Hall and in the
Bellevue-Stratford and Benjamin
Franklin hotels, with concert by
the Navy Band and speeches by
President Truman and Red Cross
chairman Basil O'Connor as high-
lights.

Steel Productions Losses Estimated

NEW YORK, April 24.—(INS)—
Steel production losses as a result
of the recent steel strike and the
current soft coal work stoppage,
it was estimated today, by the end
of next week will equal the entire
1939 shipments to the automotive
industry.

The trade magazine, Iron Age,
reached this estimate by coupling
the seven and a half million tons
of raw steel lost during the steel
strike with an estimated aggregate
new loss of more than a million
tons by the end of next week due
to the bituminous mine stoppage.

The magazine said the nation's
steel input rate for this week has
dropped five more points to 74 per
cent and added:

"There is a 50-50 chance that the
steel industry will become paral-
yzed and reduced to an insignifi-
cant operating level before the coal
situation is cleared up."

Shirley Temple Is Glamour Girl On 18th Birthday

Surprise Party For Star Officially
Elevates Her From Child
Rating

HOLLYWOOD, April 24.—(INS)—
Shirley Temple moved into the
glamour girl bracket today, officially
promoted from her child star rating
by a big 18th birthday "surprise"
party last night on an RKO sound
stage.

Many "veterans" of Temple pic-
tures—such as Adolphe Menjou,
Jack Oakie and Jimmie Dunn—were
on hand to offer their congratula-
tions as Shirley reached legal adult-
hood.

An extra member garbed as "Pa-
ther Time" even chased a drowsy
"welfare worker" through the crowd
of well-wishers, symbolizing the first
day in her 15-year career that Shir-
ley has not been accompanied at the
studios by a representative of the
state.

There were in fact more sur-
prises than intended when several
hundred impatient guests pushed
through the doors of stage 7, where
Shirley was busy filming "Honey-
moon" with Franchot Tone.

Taken aback by the surge of im-
patient visitors, who had been mill-
ing around outside for 45 minutes
past the scheduled time, Shirley
spotted a corps of newsmen and
photographers. Puzzled, she de-
manded:

"Hey! What's this?"

Someone handed her a publicity
handout detailing what everybody
supposedly said to everybody else 45
minutes earlier when the surprise
was theoretically sprung.

"This really is a surprise!" Shirley
exclaimed.

AUSTRALIAN IS SEEKING WIFE

Asks San Francisco Mayor To Find
Him Blonde U. S. Girl
For Wife

SAN FRANCISCO, April 24.—
INS—Hundreds of Australian war
brides are arriving in San Francis-
co this week, but there's a youth in
Sydney today who believes the av-
erage Australian girl "has no sex
appeal and is unattractive."

His charge was contained in a
letter addressed to Mayor Lapham
of San Francisco in which the Syd-
ney youth wants the mayor to play
cupid and find him a blonde Amer-
ican girl as his wife.

Mayor Lapham withheld the
name of the unappreciative swain
but the mayor did disclose contents
of the letter, mailed by an Aus-
tralian youth of 20 years, who described
himself as an amateur artist.

As a reward for the mayor's work
as cupid, the youth offered the
mayor six of his oil paintings of
Sydney, which he promised to bring
to the United States when he col-
lects his bride.

Wants Average Girl

The youth assured the mayor
that he was not "looking for a
Lana Turner, but the average
American girl, adding:

"I'm not interested in Australian
girls. The average Australian girl
has no sex appeal and is unattrac-
tive."

But even Mayor Lapham found
it hard to reconcile this statement
with the current arrival of nearly
2,000 war brides and children from
Australia.

However, there was this develop-
ment: when the Monterey sails for
"down under" May 2 she will take
back 45 of the Australian war brides
whose romances had been dashed
by divorces or annulments brought
by their husbands.

When they arrived, most of the
45 disappointed brides were met by
a telegram reading:

"Our marriage was a mistake."

Returnees Make Detroit Tigers Flag Contenders

Whole New Outfield, Eddie Mayo Lone Holdover In Infield For 1946

CHICAGO, April 24.—(INS)—Stephen Francis O'Neill, the pudgy-faced family man from Minooka, Pa., seems to have relatively little use for the Detroit Tiger team that won him the baseball championship of the world last year.

The gray-haired Bengal manager with the crinkling eyes and the long sleeves have seen such a remarkable postwar turnover that five of the eight regulars who started the World Series against the Cubs are now riding the bench.

Stopping off in Chicago, where the Tigers opened a two-game series with the White Sox by whitewashing their foes, 4-0, O'Neill said: "Well, now, you mustn't forget this. Fellows like Paul Richards, Skeeter Webb, Jimmy Outlaw, Roy Cullenbine and Doc Cramer may be substitutes now, but they give us a depth that's stronger than any other ball club in the league."

The flood of returnees to the potent Tigers, who are rated hot contenders to repeat their flag-winning job of 1945, is little short of amazing. Only one regular of last year, Rudy York, has left the club and his place has been admirably filled by a gentleman named Henry Greenberg.

Faster Outfield
Last year's outfield of Greenberg, Cramer and Cullenbine has been replaced by Dick Wakefield, Barney McCoskey, and Pat Mullin, and another strong gardener, Hoot Evers, is slated for a starting berth as soon as his injured ankle heals.

Second-baseman Eddie Mayo, whose tenth-inning double against Cleveland Sunday beat the redoubtable Bobby Feller, is the only hold-over from Detroit's 1945 infield. Eddie Lake has replaced Webb at short, and the veteran Pinky Higgins has supplanted Jimmy Outlaw at the hot corner.

Pitching Is Tops
Birdie Tebbets looks to do most of the catching, getting the call over aging Paul Richards.
The pitching, of course, is still tops, with the T-N-T trio of Virgil Trucks, Hal Newhouser and Dizzy Trout leading the way.
Even Trout, who thinks of himself as the best hitting pitcher since Ruth, agrees that the Tiger batters are a formidable lot.
So, for that matter, does Steve O'Neill.
"Oh, yes," he chortles, "they can hit, and then some."
Does that, perchance, mean that O'Neill foresees another flag for Detroit?

Rule Miners Not Entitled To Get Benefits As Yet

HARRISBURG, April 24.—(INS)—The State Bureau of Employment and Unemployment Compensation had ruled today that Pennsylvania's 90,000 striking bituminous miners were involved in an industrial dispute and thus were ineligible for jobless benefits before May 4.

No employment compensation will be forthcoming if the work stoppage ends before that time, the bureau emphasized.
The five week waiting period for eligibility "shall apply from April 1, 1946, to all workers who are or have been employed in the bituminous coal mines and whose unemployment is due to voluntary suspension of work," Director Frank L. Shallow stated in a notice to the U. S. Employment service in Pennsylvania.

Shallow added, however, that a few exceptions were anticipated in the case of non-union mines employing less than a half dozen people.
It was estimated that compensation payments would cost the state \$1,800,000 a week if the idle miners become entitled to benefits.
The strike, launched April 1, has set Pennsylvania's coal output back nine million tons, according to the State Mines Department.

Those who buy dozens of nylons aren't superstitious. So often when you get a surplus, something happens so you can't use it.

Cost Of Homes In State Shows Large Increase

State Housing Board Reports 30 To 60 Per Cent Increase During Past Six Years

HARRISBURG, April 24.—(INS)—The state housing board reported today that the cost of homes in Pennsylvania had increased between 30 and 60 per cent during the past six years.

"There is unquestionable evidence of inflation in prices asked for homes," said Assistant Director Daniel Rogers. "The greatest increases appear to be in sales of houses that are ready to occupy."
Bonuses ranging from \$500 to \$1000 allegedly were being obtained in violation of OPA rules by real estate agents for homes that could be occupied immediately, Rogers said.

Prices Are High
"That means that a house worth \$5000 in 1939 is being sold for \$8000 or \$9000 today," he stated.
Likewise, new homes priced at \$10,000 would compare in structural value with dwellings worth \$5500 to \$6000 in the pre-war period, Rogers said.
He explained that the price differences varied according to locations. The highest costs were reported in metropolitan areas experiencing the greatest home shortages.

Rogers foresaw an increasing rise in home prices unless "ceilings are placed on used properties."

Picture Off Balance
"The picture is off balance because no lid has been placed on prices for second hand homes, while ceilings are enforced for the cost of building materials and the maximum total construction cost permitted veterans seeking building priorities," Rogers declared.

The top price allowed veterans is \$10,000, he said. Little other construction is being permitted, he added.
Veterans must be given a three months chance at obtaining homes constructed in private building, Rogers explained. If they turn a house down at the end of that period, it may be disposed of on the open market, he added.

Blames Government For Strike Situation

Intervention In Industrial Relations Blamed For Huge Number Of Strikes Called

PITTSBURGH, April 24.—(INS)—Vice President M. M. Anderson of the Aluminum Company of America today blamed government intervention in industrial relations for the scheduling of 800 strikes throughout the nation within the next 30 days.
Anderson, in an address before the Tristate Industrial association in Pittsburgh last night, charged that the present government policies in part was responsible for the unrest in labor and called for a revision to free and equal collective bargaining, with an "end to government intervention in industrial relations."

The Aluminum company executive said:
"Under the present governmental policy of wage fixing, which is suspected in many instances to be a political expedient we actually may find ourselves holding elections to pick the candidate who is the most aggressive and generous wage fixer."
Anderson said that for many years the government has injected itself in industrial relations and it appeared that the intervention was "for political expediency and not directly helpful toward a solution to the problem" adding:
"This intervention by the government has practically destroyed the procedure of collective bargaining which that same government established."

Anderson said that legislation should be enacted which would force management and labor alike to "observe and maintain the principles of law and order and make bargaining agreements mutually binding and enforceable."

Governor's Son Due From Europe For His Discharge

HARRISBURG, April 24.—(INS)—Capt. Edward Martin, 30-year-old son of Gov. and Mrs. Edward Martin, was expected to dock today at New York aboard the Haverford Victory and be sent to Fort Dix, N. J., for separation from service. He sailed from Bremerhaven, Germany. His parents indicated they would welcome him at the Executive Mansion at Harrisburg after he was separated from service.

Captain Martin, a onetime private in the old Pennsylvania National Guard, was called to active duty as a lieutenant when the 28th Division—commanded by his father—was federalized in February, 1941. He is unmarried.

After serving in southern training areas with the division he was assigned to Camp Campbell, Ky. He went overseas February 1, 1945, and was attached to the 63rd Traffic Regulation battalion last stationed at Dissen, Germany. Before hostilities with the Nazis ended, he served for a while with the 3rd Armored Division commanded by the late Gen. George S. Patton, Jr.

Camp Reunion
Dinner Planned
At 'Y' Saturday

Saturday, April 27, former campers, and Y. M. C. A. members planning to attend the summer sessions for the first time, will be feted at

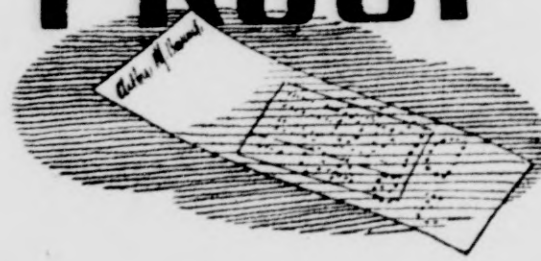

noon with a bean dinner in the "Y" banquet hall.

The luncheon will mark the first of a series of events for boys who are going to camp Fred L. Rentz this summer, and an interesting program is scheduled for all attending. Following the dinner, sound movies will be shown and staff members of the association will speak to the boys. Recreation and education will be discussed and the

new improvements accomplished at the site will be described.

The program will be under the direction of William Winter, program director, and James Dart, physical department head. David Gatrall, boys' director, will also assist in the program. Members wishing to attend the dinner are requested to make their reservations at the reception desk not later than Friday evening, April 26.

Air Staff General Sees
"Terrific Expenditures"
In Coming Atomic
Age

WAR DEPARTMENT
REQUESTS BIG SUM

By MAJ. GEN. CURTIS E. LEMAY
Deputy Chief of Air Staff, Research
And Development, Army Air Forces
(Written Especially for I.N.S.)

WASHINGTON, April 24.—(INS)—The United States is on the threshold of a new age—an atomic age in which the pitiless aircraft, winged missiles, jet propulsion, radar and atomic bombs of World War II will become obsolete in the face of expanded developments for peace.

However, the speed with which these revolutionary devices are left by the wayside for even greater instruments depends upon the money put into development. There can be no estimate of the cost, but it will be terrific.

Engineering Center
A request has gone through war department channels to congress asking for legislation to finance the newly proposed army air force engineering development center.

Immediate planning is imperative. This planning must envision comprehensively the installations and organization required for the continuous development of all material contributions to air power in its widest sense.

All fields would be embraced in the development center—supersonic aircraft, piloted and pilotless; and winged missiles having velocities nearing the meteoric.

Nuclear energy application must be emphasized for propulsion of aircraft and missiles, as well as for other atomic devices which might make their dramatic entrances into this new age. Not to be overlooked is flight and survival equipment for use above the atmosphere, including space ships.

Our people must come to realize that the next war, if it ever comes, may well be the last.

No One Knows Answer
Unfortunately, no one can answer the question of what will happen when someone pushes the button which will start that possible conflict. When and if that war comes the initial blow will be dealt without warning.

Our only hope of survival will lie in our ability to ease as much as possible the force of that first push, and to institute immediate and overwhelming counterblows.

After the collapse of Germany, we found that air power was years behind in fields including super-sonics, fluid dynamics and jet propulsion. We must never allow our fundamental research to lag behind again. We must catch up now.

The tools in the proposed development center would be available to interested, qualified persons and groups in America. The government must furnish them because they are too expensive for private organizations to purchase.

WOONSOCKET, R. I., April 24.—(INS)—Investigation of the gangland-type slaying of John F. Letendre, horse track promoter and politician, turned today to Florida.

Police said they learned that Letendre's life had been threatened as a result of a clash with a Florida gambling syndicate a year ago while he was allegedly operating a Casino at Miami patronized exclusively by professional gamblers and wealthy vacationists.

The 68-year-old director of the Narragansett track was shot to death early yesterday, outside a funeral parlor a short distance from his palatial Woonsocket home.

PICK GADGET FOR ITS USE,
NOT APPEARANCE

Housewares departments are again displaying many small kitchen gadgets that were missing during the war years. Some of these gadgets are practical, for they save time, energy, and food.

Though most of these gadgets are inexpensive, it is neither economical nor good judgment to buy something because it is displayed attractively. Every homemaker can well afford to know her needs and how much she would use the gadget. Too many of these small articles are bought, then put into a drawer or some other place in the kitchen to take up space needed of something used more often.

One gadget every homemaker should have these days is a rubber dish or bowl scraper. It is one of the best tools for removing the last bit of batter from a bowl, the last drop of fat from the pan, or the last spoonful of white sauce from the kettle. The rubber scraper can do its part to save food if only given the chance.

Hunt Suspects
In Mass Effort
To Poison Nazis

FRANKFURT, April 24.—(INS)—American Intelligence officers narrowed their list of suspects today in the mass-poisoning of 2233 Nazi prisoners-of-war to but a few persons of known identity.

Headquarters, while revealing they have closed their dragnet relentlessly, declined to reveal the identity of those persons under suspicion of the fantastic mass poison plot which seemed designed to eliminate some 15,000 former Nazi SS troops.

Reuters reported from Frankfurt that the Intelligence officers are seeking four former inmates of Stalag 13-D, near Nuernberg. Those sought, the Reuters dispatch said, all had worked in the camp bakery and recently disappeared.

Col. Samuel T. Williams, commanding a First Division regiment assigned to the area, said German police established a dragnet to assist the U. S. Counter-Intelligence officials track down the culprit.

Williams also said that none of the 2233 former Nazis who fell sick from eating poisoned bread had died. He said 207 patients still were receiving medical attention.

Tells Society
TB Uphill Fight

HARRISBURG, April 24.—(INS)—C. L. Newcomb, director of the National Tuberculosis association's annual Christmas seal program, told delegates to the State society's 54th annual convention at Harrisburg today that the battle against the disease was an uphill fight.

Approximately 500,000 Americans are suffering from tuberculosis and over 50,000 deaths were recorded last year in the nation, Newcomb said. "About 4,000 Pennsylvanians annually are killed by tuberculosis—a preventable disease."

The participation of civic and social agencies in a crusade against the disease was credited for the progress to date, he stated.

MARKET TRADERS CAUTIOUS TODAY

NEW YORK, April 24.—(INS)—Stock market traders continued in a cautious frame of mind today, imposing a mixed range on quotations in foreign trading. Averages for leading groups eased fractionally in a dribble of sales accounting for first hour volume of 280,000 shares.

Steels had a firm undertone though price changes were narrow. Chrysler managed a small gain but other autos eased. Packard dropping below 10. Rails tapered in quiet deals.

Aviations were better except for Pan-American Airways slipping a half to 21½. Copper and rubber equities lost ground. Utilities and merchandising issues gained. Warner Bros., touching a new high, continued active.

Bonds were featured by another drop of a quarter of a point in U. S. Treasury Victory Loan 2½s.

Wampum Juniors Give First Play Tuesday Evening

Large Cast Is Highly Applauded By Audience In Wampum High School Auditorium

Variety of characters and a fast-moving plot made the first play given by the Wampum high school juniors a success Tuesday night, as far as the highly-appreciative audience was concerned. The play was given in the Wampum high school auditorium.

Scenes such as the one when the heroine, Virginia Schena, runs into her prospective employer, Richard Ippolito, with a scooter and knocks him down, and the one in which the employer is frightened by a camera enthusiast, Eddie Yabu, brought a definitely favorable response.

Those who took part in the play in addition to the ones mentioned above, were: Lois Vance, Glenn Campbell, Jean Scala, Ruth Langham, William Curry, Betty Lou Houk, Dorothy Johnson, David Kanagy and Robert Allen.

Musical selections played by the instrumental ensemble were "Springtime" by Haseltine, "Mignonne-Overture" by Beethoven, and "Les Adieux" by Sarasate. A boys' quartet made up of William Curry, David Kanagy, Edward McMillin, and Richard Ippolito, sang "I've Been Working on the Railroad" after which Margaret Vance and Dorothy J. Anderson sang "To a Wild Rose" by MacDowell and "One-zy, Two-zy." The instrumental ensemble closed with "The First Smile" by Layne.

Mrs. Jean Miles, the director of the comedy, was given a large mixed bouquet of Spring flowers because of her work on the play. The presentation was made by David Kanagy on behalf of the cast. The music was under the direction of Miss Marian McNary. Others who helped in the production were Mary Krosovic, Elizabeth Sawon, Iona Crane, Doris Tobay, Elbert Cearloss, Gene Cody, Paul Dougherty, and Raymond Jackson.

PERSONAL MENTION

Robert Lott of Binghamton, N. Y., has returned home after spending the Easter vacation with Mr. and Mrs. J. H. Gresh and family, of Neshaunock boulevard.

Word has been received here of the birth of a daughter, in the Greenville hospital, to Mr. and Mrs. Harold Pifer, of Greenville, Pa., on April 21. Mrs. Pifer was formerly Marie Love, of the Harbor road.

Mrs. Ralph Audino, Waldo street, spent Monday, in Pittsburgh, where she visited her nephew, "Nino" Audino, of 802 Arlington avenue, who is a patient in the St. Francis hospital, there. His condition remains about the same.

Mr. and Mrs. Job Hares of 1510 South Jefferson street have received word of the birth of a son to Mr. and Mrs. John S. Gaston, Jr., of Sherman, Pa. The baby, a son, Miss Sally Hares, was a former nurse at James Memorial hospital. Mr. Gaston is a son of Mr. and Mrs. John Gaston of Park avenue.

Mr. and Mrs. Ben Lloyd of 927 Winslow avenue, have returned from Ft. Pearce, Florida, where they have been vacationing for the past five months. Mr. Lloyd reports good fishing with Walter Evans and Bill Milligan, both of New Castle. The Lloyds were entertained at a chicken supper at the home of Mr. and Mrs. Carl Nowalk before leaving. The Nowalks are former New Castle residents.

Friday afternoon, at 4:15 o'clock, the Bible Commandos of Oak street, will have their regular meeting in the Reformed Presbyterian church, Oak and Pine streets.

W. C. T. U.
AND L. T. L.
Frances Willard W. C. T. U. will assemble in the First Presbyterian church, Friday evening, April 26, when Mrs. Alice McKillop will be hostess. This meeting was originally scheduled for Mrs. McKillop's home on Richfield avenue.

Devotionals will be conducted by Mrs. J. C. Pherson, while Mrs. R. N. McBurney will have charge of the program.

BOY SCOUTS

Troop 5 Has Meeting
Troop 5 held its weekly meeting Tuesday night at the George Washington Junior high school. The opening and closing exercises were in charge of Tom Bantz. There prospective scouts were present along with the regular scouts.

Mr. Lamphie, scoutmaster, complimented the Bear patrol in winning first place in the first aid meet and the Lion patrol for coming out. He also mentioned the coming camporee for the first week in June and that camp begins the last week in June. Troops were passed by Wilson Frayer, Don Johnston and Jim Deegan.

Society Clubs

L. D. K. Missionary Group
Members of the L. D. K. Missionary society of the Third U. P. church, met on Monday evening, with Miss Alma Lutz, Maryland avenue.

Miss Lutz conducted the period of devotion, followed by the discussion of interesting missionary topics by Mrs. Plummer Gibson, Mrs. Harry Wyman and Mrs. Horace Allen.

Mrs. Allen, president of the society, conducted the business session, when plans for the group to attend the Presbyterian rally in Ellwood City, on April 25, were made.

Lunch was served by the hostess, Miss Mabel Huffman.

BIBLE CLASS GIVES SHOWER FOR BRIDES

M. E. D. Bible class of the Reformed Presbyterian church tendered a shower to two brides, Mrs. Carl Kennedy of this city and Mrs. Chalmers Kennedy, of New Wilmington, in the church parlors Tuesday evening.

The latter recently arrived in this country from her home in England. After greetings by Dr. E. A. Crooks, Mrs. A. C. Gardner, and Kenneth Kennedy, refreshments were served with Miss Martha Dadds and Mrs. Everett Kennedy pouring for guests.

Musical was provided by Miss Clara Tranquilla.

Many lovely gifts were received by the two brides.

July 10 Club
Mrs. Phil Venditto, 805 South Jefferson street, will entertain the July 10 club Thursday evening in her home.

Report 5,600 Are Refused Claims For State Compensation

HARRISBURG, April 24.—(INS)—Approximately 5,600 unemployment compensation claimants were denied benefits during March by U. S. Employment Service offices in Pennsylvania, it was reported today by State Director A. Allen Sulow.

Approximately 2,600 persons were refused benefits because they had voluntarily quit their jobs while about 1,400 applicants were denied aid for rejecting "suitable work," he explained. More than 3,500 claimants were disqualified during February.

Numbers Writers Are Having War

PITTSBURGH, April 24.—(INS)—A "war" between numbers writers in Pittsburgh's east end district was disclosed today by District Attorney Artemas C. Leslie.

The district attorney said "hundreds of mimeographed cards are being distributed through the district by members of one of the factions accusing the other faction of being "rangers and "tail birds". The cards list the name of the rival faction and tell where their headquarters are located and any other business with which they are connected.

CABBIE'S FARE ALL SETTLED NOW

PITTSBURGH, April 24.—(INS)—The "no fund" side of two tugboats on Buffalo to Pittsburgh today was "settled up".

Eugene Andruszewski, 21, hired Vincent Vaccaro, Buffalo cabbie, to drive him to Pittsburgh to see an army pal. The pal wasn't home and Eugene couldn't pay. So Vaccaro took him to a police station and returned to Buffalo.

Today Vaccaro telephoned Pittsburgh police that Eugene's parents had paid the fare—\$80.

Later, Eugene's parents telegraphed train fare and asked police to put him on a train for Buffalo. They did.

DOUBTS GRAIN NEEDED CAN BE SUPPLIED

PHILADELPHIA, April 24.—(INS)—A spokesman for the Philadelphia grain market expressed doubt today that the government will come near filling its grain quotas for the starving nations of Europe.

During April only five grain ships left the port and only one other is expected to leave before the end of the month. Previously as many as 18 grain-laden vessels have left in a month.

At the office of P. R. Markley, who handles government grain exports from the Quaker City, it was reported only 340,000 bushels—less than half a boatload—are on hand.

The editor of a college magazine may rejoice to wangle a contribution from a movie star, but isn't the idea to show what college students can do?

Pittsburgh Woman Is Granted Divorce

Wife Of Husband Who Was Father Of British Quads Is Granted Freedom From Mate

PITTSBURGH, April 24.—(INS)—Attractive 27-year-old Eleanor Thompson of Pittsburgh, today was granted a divorce from her husband, William H. Thompson, so he could marry the English barmaid who bore him quadruplets.

The hearing lasted exactly eight minutes. Judge Thomas M. Marshall told newsmen:

"It will grant the divorce immediately. It was a good case."

Thompson said he planned to bring Nora Carpenter and the three surviving children to Pittsburgh immediately.

Mrs. Thompson's parish church explained the "because of the unusual circumstances in this case" she would be permitted to continue her religious activity and partake of the sacraments of the church.

Mrs. Thompson told Judge Marshall in a still, calm voice:

"My husband gave out statements to newspapers saying he hoped I would get a divorce so he could marry Miss Carpenter and that is the only reason why I am getting a divorce."

The Thompsons were married on Armistice Day 1941. She was 23; he was five months older. He left for overseas duty with the army a short time later.

Woman Flyer Injured When Plane Crashes

CONNELLSVILLE, Pa., April 24.—(INS)—Miss Gerry Myers, 24, of Memphis, Tenn., was severely injured at Indian Head today when the plane she was ferrying over the mountains crashed into a tree.

The Tennessee aviator was piloting one of four planes over the mountains when the plane's gas supply ran out. She crashed into a tree and the plane nosed into the ground. The other three landed safely.

Retroactive Pay Vote Being Taken

PITTSBURGH, April 24.—(INS)—Employees of the Rockwell Manufacturing Co., of Pittsburgh, were voting again today on how their retroactive pay will be shared with war veterans.

The union, AFL-United Auto Workers, and the company have agreed that the retroactive pay will total \$200,000 according to union attorney, Harry Alan Sherman.

At a previous election, Sherman said, the union voted 995 to 5 that employees should get a full share of the back pay even for the time they were in the armed forces.

Two days ago, however, at another union meeting, the members decided to hold another vote because some of their number objected to crediting the veterans for military service.

It's a Kuppenheimer

There's no mistaking it. When a man steps into a Kuppenheimer, he steps out with a lot in his favor. There's an unmistakable quality about Kuppenheimer tailoring and fabrics that has meant good taste and good judgment for more than 69 years. The supply of these fine clothes is *still limited this spring*, but we may have your size . . . so don't hesitate to come in and see.

KUPPENHEIMER SPRING SUITS \$55 to \$67

An investment in good appearance

The illustration depicts a man and a woman in mid-20th-century attire. The man, on the right, stands wearing a double-breasted, plaid Kuppenheimer suit with a matching tie and pocket square. He is smiling and holding a small object in his right hand. The woman, on the left, is seated, wearing a light-colored dress with a dark belt and a high collar. She is looking towards the man. In the foreground, there is a small table with a lamp and a box. The background is simple, with a hint of a window or doorway.

Pirates-Reds Talking Trade

Pittsburgh Needs Pitchers,
Reds Want Outfielders,
Trade May Result

PITTSBURGH, April 24.—(INS)—Baseball backwash: Look for a record-breaking number of unconditional releases handed out to major league baseball players within the next few weeks.

All of the clubs are overloaded with players and can't afford to carry a lot of "dead wood" around the circuit. The Cincinnati Reds left 12 players in the Rhineland when they came here for the season's opener in Pittsburgh. Pirates officials indicated they will not take their entire squad on the road.

McKeechle-Frisch Confer
Manager Bill McKeechle of the Reds and Frankie Frisch, the Pirates' pilot, went into a half-hour long huddle the other day but both denied they were talking business. The Reds, however, could use a couple of outfielders and Frisch reportedly dreams about pitchers. The Reds are long on outfielders but the Reds need everything they have plus a lot more.

Baseball is one business that returning veterans have taken over. The National League line-ups at the close of the 1935 season and the lineups at the opening of this year—for example, the Boston Braves and the Philadelphia Phillies started the post-war campaign with new faces in all positions. The Brooklyn Dodgers opened with only one holdover from last season: the Pirates, St. Louis Cardinals and the New York Giants with two each; the Reds three, and the Chicago Cubs four.

Chicago Bowlers Will Seek Lead

BUFFALO, April 24.—(INS)—The current leaders at the 43rd annual American Bowling Congress championships appeared to be well on their way to titles today as a decided epidemic of low scores pervaded the classic for the third consecutive session. Apparently the lone remaining "name" threat to the lead in the team event held since March 30 by the Milwaukee Heels with 2995 is the Meister Braun quintet of Chicago which is slated to roll tomorrow night. Meisters are the current match game champions, having defeated the E. & B's of Detroit a few weeks ago and enter the tournament with a 1015 average.

State Banks On Fine Relay Team

STATE COLLEGE, Pa., April 24.—A two-mile relay team will be Penn State's chief hope in the Penn relays at Philadelphia this weekend. Coach Chick Werner said today. The make-up of his foursome was not yet certain, however. Most likely starters are Bill Shuman of Bethlehem, Jack Stevenson of Lebanon, Warren Steubing of Mr. Lebanon, and Mitch Williams of Philadelphia, although neither Don Harris nor Harold Dixon, both of Philadelphia, is considered out of the running. All except Stevenson competed for the Lions before the war.

CLEMENSEN AND DAHLGREN GIVEN PIRATE RELEASES

Veteran First Sacker And Rookie
Hurler Go To Browns
And Columbus

PITTSBURGH, April 24.—(INS)—The sale of Babe Dahlgren, Pirate first baseman, to the St. Louis Browns, was announced today by General Manager Ray Kennedy. Dahlgren, who has been with the Pirates two seasons, lost a fight for the first base spot to Elbie Fletcher, who returned this season after service with the navy. Dahlgren was the first infielder to be let go by the Bucs.

Clemensen Released
The first baseman came to the Pirates from the Philadelphia Phillies in 1943 in a trade for Catcher Babe Phelps and cash. Previous to that he served with the New York Yankees and the Boston Red Sox. Sale of Dahlgren leaves the Pirates with Frank Colman as an understudy to Fletcher.

The Pirates also announced the release of Pitcher Bill Clemensen to the Columbus Red Birds in the American Association. Clemensen, who has a major league record of one win and no losses, came to the Pirates from the army where he had served four years.

Harris And Fox Rematch May 20

PHILADELPHIA, April 24.—(INS)—Promoter Herman Taylor today set May 20 in Convention Hall for the Billy Fox-Ossie Harris fight originally scheduled for Monday night. The ten-round match was called off when Fox, a Philadelphia, collapsed from dizziness. Physicians said he will recover after a few days of rest.

Ortiz-Jurich Bout Arranged

SAN FRANCISCO, April 24.—(INS)—Manuel Ortiz, world bantamweight champion, will defend his title June 10 against Jackie Jurich of San Jose, Cal. Ortiz won a ten-round decision Monday night over four-foot, eight-inch, Horace G. Leitwiler, Buffalo, N. Y., negro. The Ortiz-Jurich match will be fought in San Francisco.

Cleveland Browns Sign Up Fritsch

CLEVELAND, April 24.—(INS)—Ohio's magic name in football, Paul E. Brown, scored another steal on the National pro league today to give his Cleveland Browns one of the most sought-after backs in professional football. Brown, announced that Ted Fritsch, the Green Bay Packers' all-league fullback for the past two seasons, has joined the Cleveland All-American conference entry's array of backfield talent.

Donohoe Pleased By Tech Turnout

PITTSBURGH, April 24.—(INS)—Carnegie Tech today looked for a successful grid season when 43 football hopefuls answered Coach Bill Donohoe's call for talent. Donohoe, who will coach the Skis first post-war grid team, said he was impressed by the way the men worked out and said Tech's chances for a successful year look good.

All of the candidates have had only high school experience. SANTA ROSA, Cal., April 24.—(INS)—A record catch of a 59-pound striped bass was credited today to Wade Sturgeon, a Sonoma, Cal., mill owner. Sturgeon caught the big striper on the Russian river, near Duncan Mills, Cal. The fish is believed to be the largest striper caught anywhere in the country so far this year.
